

Instruction of file uploading for Supergreen 2022 asynchronous webinar

1. The deadline for video or poster uploading is **October 14**. Before the deadline, please upload a maximum **15 min** video (MP4 file with maximum **300 MB**) or a **A0** size poster (PDF file with maximum **15 MB**)
2. Please login using your registered account from “Submission” page in Supergreen 2022 website

The image shows a screenshot of the Supergreen 2022 website. At the top, there is a blue button with a white arrow icon and the text 'Upload Oral/Poster Presentation'. Below this button is a red arrow pointing downwards to a white login form. The form has the title 'Login to your account' and two input fields: 'User ID (Email)' and 'Password'. The password field has a note '(Use 6 - 12 characters)'. Below the input fields are two buttons: a green 'Login' button and a dark grey 'Create new account' button. At the bottom of the form, there is a link that says 'Forgot your password ?'.

3. Please read the important information then press “Upload” bottom to upload your file

Online video/Pdf file upload

Abstract ID	Presentation Preference	Title	Review Status		E-Poster file	Video file
0050	Poster	Particle design of anticancer drug using supercritical fluid technology	Accepted	Upload		

1. The deadline for video or poster uploading is October 14. Before the deadline, please upload a maximum 15 min video (MP4 file with maximum 300 MB) or a A0 size poster (PDF file with maximum 15 MB)
2. Please design your poster in A0 size then convert to PDF file. Supergreen 2022 work team will print out your poster from your uploaded poster file and put up your poster at on-site poster presentation session. Please make sure the resolution of your poster is sufficient to print out in A0 size. You do not need to print out and bring your poster to attend Supergreen 2022.
3. If necessary, please see the instruction for "how to make a presentation video using PowerPoint": [Record a slide show with narration and slide timings](#)
4. The award of poster and oral presentation of Supergreen 2022 will be evaluated during October 24 to October 27. The referees will evaluate your presentations based on your uploaded material, viewing count and Q&A. In addition, for poster presentation award, on-site presentation will also be considered if the presenting author can attend the on-site poster session.

4. Please check your unloading file is original, and do not infringe copyrights, then select your file to upload.

Abstract ID	0050
Presentation Preference	Poster
Topic	Process intensification, carbon dioxide utilization and industrial applications
Title	Particle design of anticancer drug using supercritical fluid technology
* E-Poster File	<input type="button" value="選擇檔案"/> 沒有選擇檔案 Step 2
Step 1	1. Please upload PDF File (PDF file <15MB)
<input type="checkbox"/>	The uploading video or poster does not infringe the copyrights of third parties and other intellectual property rights.
<input type="button" value="Upload File"/>	Step 3

5. Please upload your file according to your presentation type. For oral presentation, a maximum 15 min MP4 video file with maximum 300 MB can be uploaded. For poster presentation, a single page PDF file with maximum 15 MB in A0 size can be uploaded.

6. Please check your uploaded file can display properly.
